Presenters and Chairs

Upload presentations, either:

- Scan link here and upload.
- Go to <https://filedrop.eumetsat.int/filedrop/events@eumetsat.int> and drop the file there.
- Go to Studio Terrasse 2.2A and deliver it there.
Drop by if you need any other assistance.

Upload on time:

That means far enough in advance that it can be checked for any flaws in the transfer.

Be on time:

Speakers are requested to be in the room well ahead of the start of the Session and let the chairs know that you are there.

Chairs:

Please check that all presentations are uploaded before the start of the Session.
